

**Regional Requisition for Proposals: Community Based Services
Posted 2/20/13**

Question	Answer
On average, about how many billable hours does a case manager spend on each case?	Family Centered Homebased casework referrals are created at 3 services levels: <ul style="list-style-type: none">• Level 1- 1 visit per week on average.• Level 2- 2-3 visits per week on average.• Level 3- 4-5 visits per week on average. Family Case managers would refer at the service level that best meets the needs of the family.
